

HRTEM Facility

1 Charges:

- a) Students b) R&D Institutes c) Industry Users
- :Rs. 3000/+ applicable Service charges per sample
- :Rs. 6000/+ applicable Service charges per sample
- :Rs. 12,000/+applicable Service charges per sample

The NIIST, Trivandrum will extend the 300 kV HRTEM facility to external users. Guidelines for availing the facility for external users are indicated below:

- 1 A request letter should be addressed to the Director, NIIST, Trivandrum 695 019, describing the details of the samples.
- 2 After receiving the letter, actual charges will be calculated and a time slot will be allotted to the external user on a first come first served basis.
- 3 The charges can be paid by drawing a DD in favour of The Director, NIIST, Trivandrum or the amount may be directly paid at the cash counter of NIIST.
- 4 The student users are requested to produce a letter from their supervising guides on the official letter head attested by the departments heads of the respective institutes/university.
- 5 The charges quoted above are for taking the images of samples on copper grids only.
- 6 If the institute has to provide the grids, an amount of Rs. 250/will be charged extra per sample.
- 7 For more details please contact: Dr. Biswapriya Deb (0471-2515478).
